Ebook File Details:

Review: I enjoyed reading this book as this was my first dive into the history and investing success of Buffett and Soros. I have read many books since and I think this is a decent read for anyone interested in these two successful investors. Let me make sure that everyone is clear; this book doesn't disclose any secrets or any inside information on how these...

Description: Warren Buffett, Carl Icahn, and George Soros all started with nothing—and made billion-dollar fortunes solely by investing. But their investment strategies are so widely divergent, what could they possibly have in common? As Mark Tier demonstrates in this insightful book, the secrets that made Buffet, Icahn, and Soros the world's three richest investors...
